**Bachelor of Mathematics**, *St. John's College palayamkottai*  
2022 – 2025 | Tirunelveli

Bachelor of Mathematics With 60% Academics.

**Higher Secondary**, *Margoschis Higher Secondary School*  
2021 – 2022 | Nazerath

Higher Secondary With 63% Academics.

### Projects

#### Church Website Development

A responsive and user-friendly website designed to serve as the digital presence of a church community. The site provides information about services, events, ministries, and resources, while offering easy navigation and accessibility for visitors and members.

#### Bill Generator Web Application

A full-stack web project designed to automate bill creation and management for small businesses or retail shops. The application allows users to input customer details, add purchased items, calculate totals (including taxes/ discounts), and generate downloadable invoices.

#### Portfolio Website, *My portfolio-Rexshan*

Designed and deployed a responsive personal portfolio using HTML, CSS, and JavaScript with interactive elements and modern UI styling. Showcases education, skills, and projects (including Bill Generator and Church Website), highlighting frontend development expertise and Java programming foundation. Deployed on Netlify for easy access:<https://rexshansam.netlify.app/> 🌐

### Training / Certificates

Currently enrolled in the Full Stack Java Development Program at Qspiders, learning core java for backend development and HTML, CSS, JavaScript & React JS for interactive and responsive user interfaces and Webpages
